School Uniform

The Uniform Policy of Catherine McAuley School addresses the total appearance of the student travelling to and from school and while at school.

The uniform is seen as an external statement of the quality education offered at Catherine McAuley School. In addition the uniform is a means of helping to develop unity and pride within our community.

The Uniform Policy is developed and approved by the School Board. It is an expectation that all students comply with the policy in all its requirements.

Indeed, enrolment at the school is dependent upon parents accepting and supporting the school's Uniform Policy. As part of the enrolment acceptance parents/caregivers accept and support Catherine McAuley School's Uniform Policy.

The Catherine McAuley School Uniform Policy is available at our website or via the SZapp app.
